

CITY BASE CINEMAS TO OPEN THIS SUMMER IN KENWOOD

Located at The Kenwood Collection, City Base Cinemas Kenwood will hold a limited, soft opening before its full-capacity grand opening

Kenwood, OH -- June 3, 2021 --- [City Base Cinemas](#) will be opening a brand-new movie theater later this summer in Kenwood, Ohio. City Base Cinemas Kenwood will be located at 5901 East Galbraith Road, Suite 200 in The Kenwood Collection. The festivities will begin with a limited, three-day soft opening before the official grand opening at full capacity.

"We are extremely excited to bring City Base Cinemas to Kenwood," said managing partner Sarah Williams. We feel like this theater can be a place for people to come together and create great memories, whether that be watching a movie, enjoying a game at the bar, or having a special family event. We can't wait to be a part of the Kenwood community."

City Base Cinemas Kenwood will have 12 auditoriums total, with 11 operating as normal theaters and the 12th auditorium being a private theater available to rent for parties and other special events. The 11 normal theaters will have reclining, heated seats, and tables that swivel in and out. The private theater will have club chairs and individual ottomans. The private theater will be located upstairs and overlook the main lobby. It will contain amenities such as a private bar, a private lounging area with cocktail tables, a pool table, magnetic wall Scrabble and a retractable wall to close off the space from the downstairs lobby during private events. On the technical side of things, all 12 auditoriums will feature digital screens and a QSC sound system.

In addition to the 12 auditoriums, City Base Cinemas Kenwood will have two virtual reality rooms and a full bar. The bar will offer over 40 draft beers from local breweries on tap, draft wine, and a full cocktail list. The bar area will be fully furnished with barstools, cocktail tables, couches, end tables and side tables, with additional seating available in the upstairs lounging area when private events are not taking place.

When it comes to food options, City Base Cinemas Kenwood will offer a full menu, including appetizers, entrées, desserts and classic movie theater favorites such as popcorn and candy. Patrons will be able to order food and drinks directly from their seats before or during a show using a built-in push button. All food options will be made in-house at the time of ordering for maximum freshness.

"We're incredibly excited about all the state-of-the-art amenities we have to offer, from the heated seats in the theaters to the virtual reality rooms," said Williams. "We feel like we can be the premier entertainment destination for the entire Kenwood community and beyond."

In addition to being a premier entertainment destination for the Kenwood community, City Base Cinemas Kenwood will be providing job opportunities to over 100 local residents. City Base Cinemas Kenwood is currently hiring kitchen staff, service staff, bar staff, and more ahead of its grand opening. More information on how to apply is available [here](#).
